

Call to future leaders! Develop your leadership skills!

We invite students to apply for a semester-long project to help organize, participate in and work with high school students for a one-day conference focused on global and local issues pertaining to water.

Stipend of **\$200** will be awarded to each selected participant.

Applications are due by **November 13, 2015**. The project will begin in the Spring semester.

Applications may be submitted to:

Anna.brighko@wvm.edu or Vicky.kalivitis@wvm.edu

The application is available on the WVC portal.
